Hello, Christmas Morning

Original lyrics - make up your own melody; no audio included.

Hello, Christmas morning,
Hello, winter sky.
Hello to the people
Who are passing by.
A wave across the window,
A smile beside the tree,
A little Christmas welcome
For you and you and me.

Try it: Repeat the first four lines as a chorus. Make up a simple melody together.

The Little Lantern Song

Original lyrics - make up your own melody; no audio included.

Little lantern, little light,
Make a cozy circle bright.
Not as big as moon or sun,
Still enough to welcome one.
One warm window, one kind glow,
One safe path across the snow.
Little lantern, shine and say,
There is room for you today.

Try it: Repeat the first four lines as a chorus. Make up a simple melody together.

Tap, Tap, Wrap

Original lyrics - make up your own melody; no audio included.

Tap, tap, wrap, wrap,
Fold the paper, pat, pat, pat.
Tie a ribbon, let it curl,
Send some kindness round the world.
Big box, small box,
Handmade card or cozy socks,
What we give can help us say,
I am glad you’re here today.

Try it: Repeat the first four lines as a chorus. Make up a simple melody together.

Reindeer Take a Rest

Original lyrics - make up your own melody; no audio included.

Rest your hooves, the snow is deep,
Even reindeer need their sleep.
Stars will keep the sky aglow,
While the gentle night winds blow.
Dream of fields and friends you know,
Morning tracks across the snow.
Rest your hooves, tomorrow’s near,
You are safe and welcome here.

Try it: Repeat the first four lines as a chorus. Make up a simple melody together.

Pass a Little Kindness

Original lyrics - make up your own melody; no audio included.

Pass a little kindness,
Pass it down the line.
Your small bit of caring
Can join hands with mine.
Help a friend who’s trying,
Make a little room.
Pass a little kindness,
Watch the smiles bloom.

Try it: Repeat the first four lines as a chorus. Make up a simple melody together.

Our Christmas Together

Original lyrics - make up your own melody; no audio included.

Some bring songs and some bring stories,
Some bring quiet, some bring cheer.
Some come close and some call over,
We can hold each other near.
Every home can have its sparkle,
Every heart its favorite tune.
Here’s to Christmas spent together,
Underneath the winter moon.

Try it: Repeat the first four lines as a chorus. Make up a simple melody together.

Snowflake Steps

Original lyrics - make up your own melody; no audio included.

Snowflake left and snowflake right,
Little steps on winter night.
Tap your knees and wave hello,
Watch our tiny snowstorm grow.
One soft clap and one big grin,
Let the Christmas fun begin.
Snowflake up and snowflake down,
Smiles are falling all around.

Cocoa in My Favorite Cup

Original lyrics - make up your own melody; no audio included.

Cocoa in my favorite cup,
Warm my chilly fingers up.
Window full of winter sky,
Someone special sitting by.
Tell a tale or hum a tune,
Watch the little silver moon.
Cozy moments, yours and mine,
Make the whole of Christmas shine.

Thank You, Little Helpers

Original lyrics - make up your own melody; no audio included.

Thank you for the path you clear,
Thank you for the welcome here.
Thank you for the things you do,
Christmas shines because of you.
For the card and for the call,
For the jobs both big and small,
Here’s a cheerful song to say,
You have brightened up our day.

Make up a melody together, or read this as a Christmas poem.

The Paper Star Parade

Original lyrics - make up your own melody; no audio included.

Paper stars go marching by,
Little wishes lifted high.
One for hope and one for cheer,
One for friends both far and near.
Make a star and let it say,
Someone thinks of you today.
Round the room our colors go,
Like a merry winter glow.

Make up a melody together, or read this as a Christmas poem.

Room at Our Table

Original lyrics - make up your own melody; no audio included.

Room at our table,
Room for a friend.
Room for a story
We haven’t heard end.
Bring your own laughter,
Bring your own way.
Room at our table
For you here today.

Make up a melody together, or read this as a Christmas poem.

Goodnight, Christmas Village

Original lyrics - make up your own melody; no audio included.

Goodnight, window, golden bright,
Goodnight, lantern, little light.
Goodnight, ribbons, green and red,
Sleepy thoughts are tucked in bed.
Goodnight, rooftops, soft with snow,
Goodnight, friends we love and know.
Morning brings another day,
Rest while stars keep watch and stay.
